# Prayer Requests

For our brothers and sisters in India

- For safety and God's protection in the midst of hostility and persecution
- That their financial needs will be met
- For God to perform miracles, healings, signs and wonders as the Word of God goes forth
- Increase in boldness to preach the Word

For the Oil of Joy ministry team as we prepare for the Mission Trip

- For safety and God's protection in the midst of hostility and persecution
- That God will supply all our financial needs for this trip
- God will give us boldness and more passion to reach the lost souls of India
- That God will prepare within us His words that we are to share with the people
